

Department of Personnel & Administrative Reforms Government of Nagaland

*Online ePension System
For Statewide Government Pensioners*

Objectives of ePension

- *As ePension is interfaced with PIMS, the PIMS system will automatically send the retired employees to the Non-Working Category, as per the existing State Govt. Policies.*
- *For Voluntary Retirement/Expired/Resign/Terminated etc. Employees, the respective department will have to update the Service Details of the respective employee in the PIMS and system will send them to Non-Working Category.*
- *The Non-Working Categories will be listed according to department wise in the ePension interface once login.*
- *It has five tier system 1) Super Admin Level (P&AR) 2) Accountant General Level 3) Respective Treasury Level 4) HOD /AHOD Level & 5) Department Establishment Level. This is going to save time and huge resources of the state Govt. in one centralized database.*

Objective

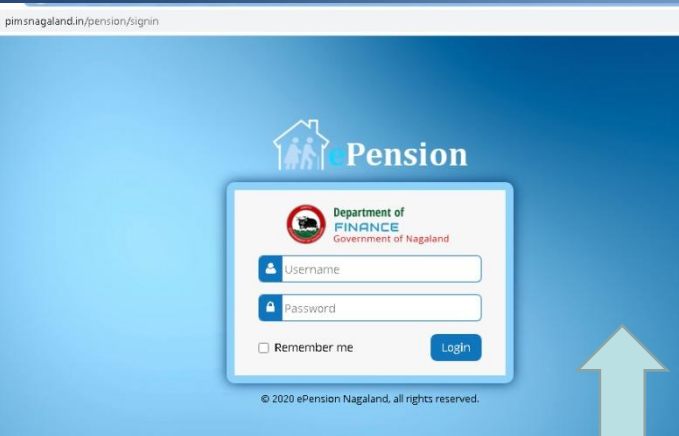

- ❑ *A centralized digital platform managing Pensioners for Statewide.*
- ❑ *A web based ePension system for fast execution of work, to bring transparency to the system, to help in maintaining proper faultless records, the task seamless, faster, automated & generate the PPO No. on the 1st day of retirement .*
- ❑ *Timely allocation of PPO no. from A.G.*
- ❑ *To facilitate real time management, and monitoring the delay of pension papers at each Access Level .*

Objective

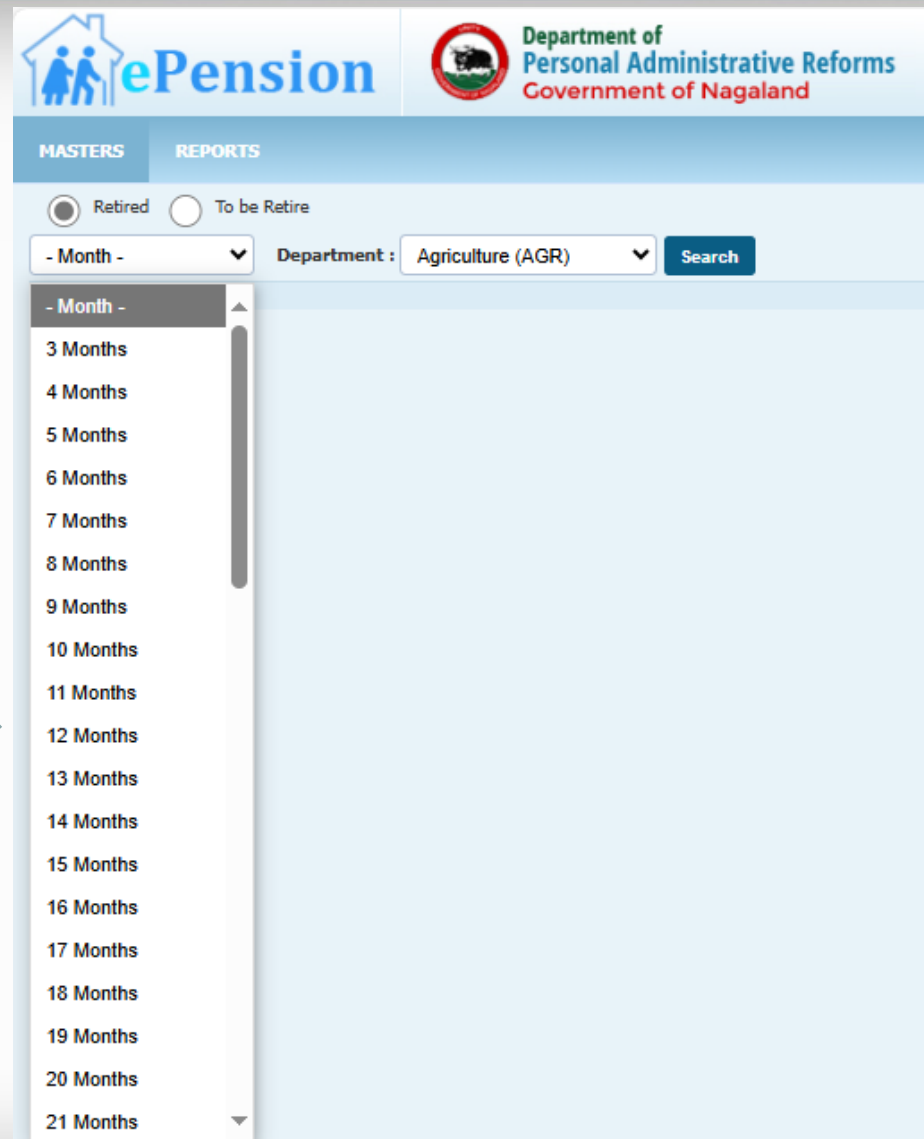

- To generate real time MIS (Management information system) like pension process status reports to be generated by respective retiring officials.*
- In Super Admin interface, system will support with monthly/quarterly/half yearly/yearly pension status report and any other critical decision making reports to facilitate State Govt., just by a click of a mouse.*
- An e-Governance initiative (Digital India).*
- Integrated with PIMS (the centralize Database for the State employees)*
